Highway racing games unblocked

Car Bibles are reader-supported. When you buy through links on our website, we can earn an affiliate commission. Learn more Gaming has evolved over the last few decades, from cartridges to CDs and finally to different kinds of consoles. From action to horror-themed games, there are countless genres currently available to every gaming enthusiast. Sometimes, however, nothing beats a great racing game played on your beloved PC. The best racing games are incredibly engaging, from sounds and design to the graphic fidelity; many of them offer players with great photorealism, so they can imagine their hands on an actual wheel, whizzing past their competitors, towards the finish line. There are no sets and easy way to choose the best PC racing games as they all differ enormously; from the genre to the screen and even they feel they give. This is why, after thorough research and comparison, we have presented you with a list of some excellent PC racing games that you can jump into, fire up your engine and race away. Some of these games offer players with online challenges, while others allow you to team up with friends for an adrenaline-filled racing challenge. Adjust your seats and don't forget to buckle up for some of the best car racing games in life. The best racing games Thanks to the power of Kinect for Xbox 360, Forza Motorsport 4 gives players revel in their car passion by taking bold, innovative leaps forward in the racing genre. The developers of this game have delivered a robust range of racing cars, backed by stunning graphics, cutting-edge social interactions and new challenges and clues. This Xbox racing game gives players an experience like never before. And all social interactions are made possible via Xbox LIVE. Forza 4 takes players to the British countryside where they can compete in traditional races, co-op campaigns, seasonal championships, endurance tests and stunt jump tests in a range of vehicles that boast both speed and style. If you are a love of all things vintage, this game also offers the opportunity to experience the joy of classic cars such as the modified transit vans and hypercars. There's even the iconic Aston Martin range of vehicles found in a James Bond car park (yes, it exists!). With each changing season, you get to customize your car and drive as your car will respond to the elements such as ice on roads and wet leaves. You will have to be a champion in all seasons if you hope to record some of the best track times. Visually impressive open world filled with activities Features over 450 licensed vehicles A remarkable amount of detail and visual variety Forzathon Live events are boring It takes a while, although repetition eventually puts in Installation takes 3 hours Are you looking for intensity? New, bold challenges? Or a car racing game that is beautifully authentic in its own way? You want to give the Project Cars game a drive. as one of the Technically advanced game on the planet, ps4 car games offer players enough excitement for the year. This one in particular, features world-class graphics and handling, low tuning and a functional pit stop, as well as a groundbreaking dynamic time of day feature that comes paired with a weather system. To play, create a driver, choose your favorite motorsport, and then sign your first contract. Succeed by switching to high gear during your races, achieving many vital goals and eventually entering the Hall of Fame. This will give you offers from other teams, endorsements as well as special invitations. Whichever car you're passionate about, project cars have it, be it a kart, open wheel, GT, road cars and even American muscle cars. The best part is that more cars are added to the existing collection regularly, so you never run out of options. Take part in global time-time challenges or challenge your friends to a real-world race for real-world prizes. Immersive graphics Row tracks, cars and disciplines The driving feels amazing Odd glitches Controls require configuration Little to no guidance on complex mechanics be Fearless with DiRT 4 games. This is one of the best racing games PC in existence which completely captures the emotion, excitement and passion of off-road racing in every scene and visual. We all know that off-road racing is an activity where bravery meets reward, where perfect swing is not sufficient, and where you experience heart-pounding moments as you make split-second decisions that can make or break your race. With a wide selection of cars and circuits, the DiRT 4 game has a small upgrade from the DiRT Rally with beautiful graphic illustrations. Unlike its predecessor, this game is extremely user friendly and can be played by a variety of drivers with different skill sets, thanks to its slightly difficult player intervals. The many routes are based in five locations, Spain, Australia, Michigan, Wales and Sweden. Some of the cars made available to players include the Audi Sports Quattro, Ford Fiesta and Subaru WRX STI NR4. The DiRT game is the official FIA World Rallycross Championship game. Aimed well at both simulation and gamer audience Your Stage offers almost infinite replayability Engaging gameplay for all levels Teambuilding still feels superficial No VR support Visually a bit bland If you've played Forza 4 and you fell in love with it, wait until you get your hands on Forza 5! Starring some of the world's biggest tracks and cars, this is a PC game that has been restructured from scratch to take significant advantage of the immense power of the cloud beyond the Xbox One. It is an excellent game that delivers the big eyes thrill of racing better than any other game does. With Forza 5, you're one with the game and you feel like you're in the game. Forza 5 racing game for PC has a brand new graphics engine that delivers texture you can feel and air you can taste at 60 per second and a resolution of 1080p. All cars used in this game are selected by experts on Top Gear, ensuring you are always blown away with their performance. This game features 17 next generation tracks in addition to ten bonus downloadable cars, including new imports, sports cars, open-wheel race cars and extreme exotics. Overall, one of the best racing games is Xbox one. Your stage offers almost infinite replayability Engaging gameplay for all skill levels It feels sublime team building still feels superficial no VR support Visually a bit bland Everyone has at some point in their lives, coming across Mario. He is a trusted game character who has been in the hearts of many for decades. Play Mario Kart 8 Deluxe anywhere, anytime. Hit the road with this final version of this cool car

game, by racing with your friends or engaging them in a revised battle mode on either new or recurring battle courses. While playing this game in TV mode, you can play locally in up to multiplayer mode for up to four players. This game features new levels like Battle Stadium and Urchin Underpass, and also welcomes back course like GCN Luigi's Mansion and SNES Battle Course 1. There are also many new characters found in Mario Kart 8 Deluxe like King Boo, Inkling Boy & Gir, Dry Bones and Bowser Jr that take the game to higher levels of entertaining. Thanks to the handheld mode of this racing game, you can play freely anywhere when you feel itched. Battle Mode addition is a great feature Many challenges are available for all skill levels Further helps for beginners work a treatment Many players can choose a brand new Mario Kart on switch Inability to change balloon colors Remote modes The goal of Trackmania Turbo is to have tremendous fun while chasing the fastest time. The arcade racing universe of Trackmania Turbo will keep you coming back for one last lap every time, thanks to its very replayable, easy to learn yet hard to master tracks. Step into the wild car fantasy world of this racing game and discover the ultimate time attack racing experience. Trackmania Turbo has over 200 main ring nests, set in four beautiful surroundings, each showing a unique style of play. This racing game has arcade feel and brings back the nostalgia of racers with music and even crew voices. The track builder feature in this game gives you over two hundred clues and still allows you to challenge your friends as well as other players in the community by designing or effectively generating crazy personal paths that can be shared in online communities. Up to a hundred players can participate in an online payment room, and the ultimate goal is to run for the fastest lap time, and not just the finish line. It is rewarding, intense and very competitive, a breath of fresh air for the racing genre. Addictive time trial gameplay Packed with modes and tracks Smooth online games can be and frustrating does not it's essentially new boring game Think you've got speed? Show off your skills in Need for Speed Most Wanted by outthinking and outrunning the police. Compete against and reign supreme over the best street racers on stage, even as they escalate their tactics, vehicles and technology, to earn their respect and rise to the top of the Blacklist. Use your record times to build your rapark and fill it further with your epic runs and wild headline stunts. With the new performance adjustment options in this PC racing game, you can set your turn in a safe house when it's not strong enough to compete against a sports car. This game is so real; photorealism will floor you on the display. You can almost smell the asphalt burning as you scream and drift. Whether you want to pimp out your trip or lose the police, there are extensive visual adaptations available to you. The environments in Need for Speed Most Wanted are high for the challenging pursuits and races, and it makes driving from the police more fun than it ever is in real life! different race types adapted to cars challenging levels of non-realistic show boring pursuits repeated stages Another revolutionary racing game is Assetto Corsa game on PlayStation 4. It is a game developed by a small Italian developer in early 2013. In a short span of a year, this game became a word-of-mouth hit among many players, thanks to its authenticity and physics simulations. This easily sounds like a typical underdog story with a load of reality. Six months after its featured fame, assetto Corsa developers announced the inclusion of a console, making it one of the best racing games on PC, if not the best. With over twenty tracks and a hundred cars to choose from, there's no doubt that the Assetto Corsa is the console driving sim you've been looking for. From this game's laser-measured track to the meticulousness of their car handling, all aspects are designed to focus and emphasize pure physics realism and precision accuracy. Popularly referred to as The Racing Simulator, this is a game where the cars are king. Life-like models of some prestigious automakers like Ferrari, McLaren, Fiat, Lamborghini, Lotus and Mercedes Benz can be found in this game. If you are a player with a unique racing style, your favorite cars can be easily changed to suit you and meet your needs. Also, the ability for players to adjust the race set-up and handling of each car in the game helps them deepen their game and racing experience. The adjustment skills and other features offered to players not only provide a genuine and exciting racing experience, but it also helps breed the realism for which this Assetto Corsa is globally known. Amazing physics and handling Immersive driving Solid multiplayer Bad career mode Boring, confusing presentation A few bugs We have reviewed in extensive detail the latest Forza racing game and its Predecessor, but Forza 3 has and will always be one of the hit PC racing games in the history of the genre. With this game, each player gets to experience one of the most realistic racing displays to be made available. With over 400 of the most beloved cars on the planet to choose from and over a hundred famous real world tracks that include exotic roadways from all over the world, this is a game where dreams are given and made. In Forza 3, your breath is taken away by advanced vehicle simulation and HD graphics. It also features adjustable skill levels along with a host of driving assists that make the game an addictive one for players of all ages and skill levels. Try your hands at this amazing simulation game and have fun driving and racing or simply throw everyone in the way. Additional features held by this game include user-generated content and Xbox LIVE for online gaming communities. Incredible 350+ Forzavista car selection Xbox Play Anywhere and cross-play with sync Visually stunning graphics create a nice atmosphere Online Adventure/ Freeroam still limited to 12 players Drone mode camera needs a double turbo and increased height Can't place custom checkpoints or multiple waypoints Inspired by Disney Pixar's award-winning movies, Cars 3, Cars 3: The drive to win is a next generation game intended for all kinds of players, regardless of their age or set skills. Adjust your mirrors and get ready for a brand new action-packed adventure with stars like Cruz Ramirez and Lightning McQueen. Together, you will train and prepare for a race against ace rival and arch-rival Jackson Storm. Experience competitive racing at your best as you master your driving skills for the ultimate world class competition. This game allows you to play with over 20 customizable people, including veterans and the next generation of racers. All iconic locations from the movie like Florida International Speedway and Radiator Springs make an appearance in this game in over 20 tracks. To get the highest score, try to perform as many stunts as you can and also capture air while using a variety of power-ups to remove as many crash karts as possible. Time up to the ultimate racing challenge. Game mode variety Hall of Fame challenges Solid racing does not utilize the concept that cars are signs Too much reliance on nitro and get more nitro Voice acting Another 'Need for Speed' game makes its way into our list, the need for Speed Payback. You and your crew are reunited in the underworld of Fortune Valley, in search of revenge against The House, a cartel that controls both criminals and cops. To earn the valley's underground respect, you'll need to play a variety of challenges and events that instead of characters like Mac, Showman, Tyler racer and Jess, Wheelman. Each driver gets some missions, races and challenges that will secure them a place in the ultimate competition where they compete Take down the house finally. In this game you can create rides with unique performances and visual customization. Enjoy the many races in different environments such as deserts, canyons, mountains and the city itself. You can even connect via Autolog to play with friends and rivals to claim the ultimate bragging rights. With your car at the center of everything you do, keep winning to see your level rise against many players all over the world. Have you figured out what to get your baby as a Christmas present? Keep your options open by including Need for Speed Payback to your list of possible purchases. Solid, simple upgrade paths match the game's re-ral theme The comprehensive map gives players room for high speeds and stunts The Solid racing Nitrous oxide mechanic doesn't work well Voting Loot boxes completely destroyed Need for Speed's car performance customization DriveClub PC racing game designed with inspiration from different regions and roads around the world. All racetracks found in this game have many different challenges for each driver thus, no two people get the same experience. This racing game is designed to have a great time with your friends, and it's one you've never experienced before. It highlights the importance of teamwork, and encourages you and your friends to work, win and earn points together while enjoying the thrill each race and track offers you. To discover what DRIVE CLUB is all about, you can choose solo higher speed racing, or set up a racing club made up of you and your friends where you share experiences while keeping each other up to speed on the team's performance. The cars in DRIVECLUB are not only strong, but also carefully designed; they appear in excellent detail both on the inside and outside of the vehicle. If you love to play in groups, you can customize your car in the garage to showcase your club's colors while driving on the track. Containing extensive game content racing in VR is fun with Arcade handling it's great to be able to vire around your driver's seat Poor quality game visuals technical issues wit h weather display settings boring pursuits Forza Horizon 4 racing games for PS5 introduce players to another, exciting world. It's one of the best Xbox one racing games that's constantly being updated, with new content being added weekly. Each week brings together a new season, and with the new gameplay, theme content, challenges and, ultimately, rewards. The seasons change everything in this shared open world. Experience for the first time in the racing and driving genre, the beautiful scenery, with over 450 cars available for collection and become one of historic Britain's Horizon Superstars. Explore the UK and see it in a way you never have before. Experience valleys, castles, lakes and all breathtaking sceneries in the stunning native 4k and HDR resolutions. Decide between playing solo and teaming up to play You can engage in casual fun by joining the multiplayer team or taking on the best in the world by joining the ranked teams. Choose your path to become a Horizon Superstar, racing, stunts, lockers or exploration. Great map A large selection of vehicles Sound, graphics, driving Driving to individual races grates after a while boring pursuits repeated stages Crash Bandicoot series has a hilarious addition to its collection of games, Crash Tag Team Racing. With a mix of RPG, action and of course racing, this game comes along with an insane plot, goofy characters and many secrets that will increase your thirst for adventure and encourage you to discover all the nooks and crannies of their worlds. You can buy items such as vehicle upgrades and outfits by having each Power Crystal and coin made available to you. There are also Die-O-Ramas to be searched in their many equally hilarious mini-games. In this game, a new conflicting technology has been introduced; Whereby in the event of two vehicles crashing, they merge to create a supercar equipped with a powerful tower gun. Players will have the option to fire a built-in weapon or get behind the wheel to drive after a collision. Outside the car, players can still explore the many worlds on foot, unlocking bonus tracks by collecting upgrades for their vehicles. Great voice-overs Stunt Mode is pretty entertaining A huge selection of vehicles all races lack interesting features Fetch-quests do for dis appointment display element attacks requiring a number of Zip around medieval castle ramparts in Sonic & Sega All-Stars Racing and exploring amazing new circuits including Curien Mansion, Sonic Seaside Hill and Blizzard Castle while whizzing under the lush rainforest canopies, or tear through the busy cityscapes. Face challenges like the evil Dr. Eggman, Amigo from Samba and Super Monkey Ball's AiAi. Jostle against these and more problems, about twenty of them in total, and stay ahead in your unique character vehicle. By launching some character movements or dodging traps, you can make it around the twenty tracks that span several Sega games like House of the Dead, Sonic the Hedgehog, Samba De Amigo and many more. There are also weapons such as boxing gloves, Mario Kart, rockets and stars that turn your world upside down. The weapons found in this car game for kids can be used on the court to be at the forefront of all your opponents, especially if you don't have the best standard players in the game. Dynamic courses and settings Robust game modes Smooth control and visual handling can hide your view Boring and generic objects AI can sometimes be too challenging Drive through many different terrains from the intense weather-charged rally stages in Africa, Europe and the United States. DiRT 3 delivers all the tools, mud and sweat from all over the world and boasts more places, more cars, more events more routes than any other game available in In this racing game, the rally returns with twice the original content, making this an action-packed and addictive game for players all over the world. Featured in this game is a brand new Gymkhana event where players can test their car's control by pushing it to the very limit through driving, jumping and spin-drying their way to stardom. And there's an added bonus where all players get to experience what it feels like to drive on snow. All rallies in this game come in several stages, and they have places from the jungles of Kenya all the way to the heart of Scandinavia. This is one of the most exciting and engaging games with quality graphics and great physics, and it's worth your time. DiRT 3 is a game you can get as a gift to any game enthusiast who loves a lot of racing action. It could be your son, your brother or yourself. Whoever you choose, they deserve it. Superlative quality racing game Offline split-screen is brilliant devilishly addictive score challenges Grittier moodier look is less fun Menu screens are a bit boring Slip your creativity with Shift 2 Unleashed. This limited edition racing game allows you to customize both for show or to win. You'll get a chance in this game to create fire devil weapons from some of the world's most elite high performance vehicles. The alignment can be done anywhere, on the engine, suspension, body and other parts of your vehicle. This game features a brand new helmet that delivers an unparalleled sense of speed by restoring realistic driver's head movements. From scary night racing and authentic car and crash physics to battle-scarred looks and the feel of both tracks and cars, this game features the GT3 European Championship and fia gt1 World Championship and also includes real world drivers for a realistic result. If you want to share your racing experience with friends and other riders around the world, you can use the revolutionary system, Autolog. Have fun, play hard, join others about your racing career, and get the best gaming experience you can ever imagine by playing Shift 2- Unleashed. Sim racing that feels quick choice from a variety of events is possible by gamer. Fully customizable cars Anti-aggressive physics can brutally punish errors No rewind feature Bad off track graphics Catch in on all the measures by participating in the ultimate racing experience with Blur. This is a racing game that gives you heart-pumping, electrifying action, with twenty cars racing to cross the finish line first. The fight is crazy, engaging and intense, with Blur. This game includes defensive shields, the ability of players to blow their opponent's cars off the road, nitro speed increases and landmines that create destruction that is significantly realistic. Blur is designed to allow a four-player split screen that takes all the measures to a higher level. You can race with your friends and experience the thrill of collaboration Solo challenges as you make single games or high intensity contests for fun. The blur story is told innovatively and uniquely with a community-based interface that surpasses the game itself. This along with the games of fast curves, hair-raising jumps and sneaky alternative routes make Blur one of the best non-stop racing games ever available on the market. Online multiplayer is awesome in-race goal put the game apart from other racers power-ups allowing for strategic depth Single player is marred boring pursuits Odd glitches PSG Gran Turismo 5 XL Edition is the ultimate version of the fast selling game, GT5. This game has a generous array of racing styles, with examples being rally, road, drift and NASCAR. The full version of the game presents gamers with an unprecedented collection of over 1000 cars, complete with active community and online racing features, all in Gran Turismo's signature cutting edge graphics. Challenge your friends and members of the online racing community to compete in your custom race room system, which includes voice chat for the ultimate track day. The endless collection of cars in Gran Turismo 5 includes supercars, exotic imports and muscle cars. On the game disc is Spec 2.0, where you get access to all downloadable game updates, which allows you to play the game at the optimal quality level. This game is intense, addictive and is full of activities that will leave you glued to your screen for many hours. Better photo mode locations Top Gear Test Track Car trade/sharing Teambuilding still feels superficial No VR support Visually a bit bland Wipeout Omega Collection of racing games is divine, for lack of a better word. We start the review from the soundtrack, which sounds absolutely incredible, thanks to it being remastered completely. Enjoy this brand new soundtrack, which features electronic delights from The Prodigy, DJ Kentaro, The Chemical Brothers and Swedish House Mafia. This is a game with 46 unique ships, 26 reversible circuits and nine-game modes from Wipeout 2058, Fury and Wipeout HD. While online, you can join an epic 8-player battle race or take all the fun offline by challenging a friend to a split-screen showdown. This collection includes Remastered Game, 4 PS4 Avatars and the NEW Van Uber racing ship. You will be delirious, you will sweat, and your face will probably be melted out from how amazing this game is. After a race, you will be itching for one last race, a previous circuit, and one last challenge. You can never get enough! As good a technical show for ps4 that you will probably find super responsive handling system has rarely improved A brilliant showcase for HDR gaming Games on Elite difficulties, and time trials and speed laps are wild 2048 career is not as pure or addictive as Wipeout HD Voice Acting Welcome to Need for Speed Undercover racing games where you are both hunter and hunted. You never seen history turn Like this. You never knew you would end up risking everything by taking control of the wheel in an attempt to take down this international crime syndicate by infiltrating their group. You're in a hot hunt, and the person you're after is a maniac who moves behind the wheel as if his life is in danger. And it probably is. You increase your speed to match his because he has all the information you need. Behind you, you'll be chased by a fleet of police cars, their sirens blaring into the quiet night, disrupting the once peaceful neighborhood. They will not make your hunting any easier thus, you need to utilize all your abilities and knowledge to take down the enemy while outrunning the law, in order to bring back peace by unleashing many truths and countless secrets. Huge area to explore Great online multiplayer Impressive car roster Boring FMV sequences Boring plot Easy AI Burnout Paradise is the only game built from scratch by game developer Criterion. It features a new, magnificent and expansive world where players can scroll through whenever they want. Experience the many stunts, jumps, and shortcuts of Rock Paradise City by shredding your way over more than 250 miles of open road. Use your knowledge of the city to blaze your way to glory in 120 unique events, and find the fastest routes as you set the fall on all your rivals. This game allows you to play solo in challenges against your friends or team up to complete more than 4300 online challenges. Bring another meaning to show time by crashing, spinning and destroying your car anywhere and anytime, leaving a trail in your wake. You can set many speed records, not forgetting them of destruction, all over the city. Making and breaking the traffic rules is freedom only given in this game and you even get to track your prey against your friends. Technically solid port Restart feature makes life easier The perfect in-between game Still can't upload your own music in the game Party Pack content underwhelming OpenWorld racing can be overwhelming, annoying DJ Filled with endless amounts of races, Midnight Complete Edition Club: Los Angeles looks in many ways similar to Burnout Paradise. This game is designed to keep players busy always because as soon as you finish one race, you are warned about another. All the cars in this game have been intricately detailed, with the most realistic representation of Los Angeles to ever hit the game scene. It features a custom soundtrack, but allows players to create their own playlist as an additional option. With its auto-difficulty adjustment, you get to experience both rugged and safe games, but mind you, the difficult games are extremely insane and can make you feel frustrated more than once. This is a great racing game for PCs and it is a perfect option for those who need an arcade racer. working up is a breeze car handling is always balanced Gameplay is uninterrupted To be trash spoken by cocky street racers racers Adjustment rates (paint) unstable turns in the game Colin McRae Rally is one of the best car games for boys that allows players to drive some of the most diverse selection of rally cars while taking them through a full professional career. Experience true progression and rewards through the personal challenges of 23 individual rallying events. With this game non-linear series of problems, Cups, Supercups, Shields and Championships, you can complete any occasion with the very best. The cars featured in this game range from rear wheels, 4-wheel classics, 2-wheel drive, and many more. The landscape and damage visuals of Colin McRae have been changed and improved such that if you have to go down a tree, you will see some leaves fall like the trunk shudder. Overall is definitely a good choice if you are after the best car games for kids. Gameplay Modes Physics model single cartridge multiplayer Bad menu Low-res textures Ancient game Rise to be the master you were born to be about to forge your own way to glory with Playstation 4 F1 2016. This is an online racing game designed to take you on an exciting ride on the track to the world of formula 1 careers. For the first time in PC game history, the iconic Virtual Safety Car and Safety Car has been included in the exciting game time. The F1 game does more than offer you the best on-track experience, it takes you behind the scenes, to all the drama created when working with an engineer, agent and a team to advance your career as a racer. You also engage with the technical team to develop your car for better performance, sponsorship deals and higher rankings. This great lifetime spans about ten seasons with each season offering a more exciting experience than the last. The best part of F1 is its AI. One of the best in the gaming industry so far, this game AI is an incredibly intelligent device. All the drivers in the game are brilliant and not too aggressive. Master gamers have identified this game as the most in-depth Formula 1 game to be developed this year, following the endless compromises between the development and immersion cycle of the game's developer. F1 2016 may not currently be a perfect PC racing game, but it's already working wonders through the little tweaks added, bringing excitement to players around the world. Engaging career mode Challenging handling and AI looks great in terms of design Clunky cinematics AI can dopey A few mistakes found by reviewers Go ahead and enjoy a good racing game on your PC by choosing from our long, impressive list of new car games. No matter what you need, be it a game with magnificent graphics, or one that offers you endless circuits and many classic vehicles, there is an option for you. Games are more fun when played in a group, so try as much as possible to look out for games that allow you to join online communities or Your friends for some racing challenges. Another factor is compatibility. Make sure the game you choose is available in a version that's compatible with your machine to prevent you from limping or crashing, which in turn could damage your device.
